

Clan Bell

Clan Bell-Clan Bell North America, Inc. is a I.R.S. 501c3 charitable non-profit heritage and social organization of Bell families, Bell descendants and interested persons. Our objectives are to foster the research, study and documentation of the history and heritage of the various parts that make up the whole of the Bell family while we promote and support efforts to identify and appoint a chief of clan Bell. Members are descendants and supporters of those Bells (of various spellings) who made up the great riding and cattle droving family on both sides of the Scotland/England border, Bell families of the highlands and highland coasts, Bells of the firths and throughout the United Kingdom. Prospective members are encouraged to furnish their Bell family's genealogical information for inclusion in the Clan Bell database. Each family is encouraged to have a male of their Bell surname participate in the Ancestry.com Bell DNA Project; this helps create a more complete picture of the Bell family puzzles. Join us as we join other clans and families in celebrating our shared Scottish heritage and interests.
